Terms & Conditions

Universal Metal Products, Inc. ("Seller") provides the following Standard Terms and Conditions of Sale ("Terms and Conditions"), which apply to all quotations and sales made by Seller. IN SUCH CASE, THE TERMS AND CONDITIONS CONTAINED HEREIN SHALL PREVAIL. All purchases by customer, owner, or its agent ("Buyer") are expressly limited and conditioned upon acceptance of the following Terms and Conditions, and no provision, printed or otherwise, contained in any order, acceptance, confirmation, or acknowledgement which is inconsistent with, different from, or in addition to these Terms and Conditions is accepted by Seller unless specifically agreed to in writing by Seller. Acceptance of Buyer's order by Seller is subject to verification of Buyer's creditworthiness.

1. Unless specified otherwise in an Order Confirmation, all deliveries will be made Ex Works (as defined in Incoterms®2010) at Seller's facility. The risk of loss or damage to the Products will pass from Seller to Buyer when the products are made available at Seller's facility for pickup by a carrier or Buyer. Unless specified otherwise in an Order Confirmation, Buyer will continue to bear the risk of loss or damage to the products during loading and shipping. If Buyer requests special arrangements regarding the manner of shipment and the shipping route, Seller may, in its sole discretion, take such requests into consideration, subject to Buyer paying for any and all additional costs arising as a result of such requests. In all cases title to the products transfers to Buyer upon the earlier of Seller's delivery to Buyer or receipt by the first carrier for transport to Buyer. Terms net 30 days. All charges for tools and dies are net 10 days. We will apply a service charge of one and one-half percent per month (\$3.00 minimum) to unpaid balances which are 30 days and more past due. All quotations are valid for a period of 30 days unless otherwise specified. Payments will be made in accordance with the specified payment schedule. All payments are due net 30 days from date of invoice, unless otherwise specified. Buyer's failure to make payment when due will be a material breach of the order and these Terms and Conditions. Seller, at its sole option and without incurring any liability, may suspend its performance until such time as the overdue payment is made or Seller receives assurances, adequate in Seller's opinion, that the payment will be promptly made. In the event of such suspension of performance by Seller, there will be an equitable adjustment made to the delivery schedule and order price reflecting the duration and cost resulting from such suspension.
